

HFES FELLOWS PROFILE

Name: David L. Post

Email: davepost@woh.rr.com

Short Biography: David L. Post received a B.A. (Psychology) from Texas Tech University in 1977 and a Ph.D. (Industrial Engineering and Operations Research, Human Factors Option) from Virginia Tech in 1983. Since then, he's worked as a human factors engineer, specializing in vision and electronic displays. The first 25 years were with the US Air Force Research Laboratory (AFRL) at Wright-Patterson AFB OH, first as a scientist and engineer and later a branch-level supervisor. He retired from AFRL in 2008 and have worked as a free-lance human factors consultant since.

Career philosophy/mission statement: Career is important but people are more so. My mission is to do the best, most interesting, and most useful human factors R&D I can.

Advice for students: Read widely across the sciences, keeping your mind alert for ideas that can be adapted to expand and advance our field.

Specialty Area(s): Research & Development

Field of Interest(s): Aerospace; Applied Research; Aviation; Forensics; Human Computer Interaction; Human Performance; Individual Differences; Manager or Management; Military; Perception; Researcher; Statistics
